Spring Concert Performance / Costume Fees: All classes that are not designated as technique only classes will perform in our Spring Concert.

Costume & Performance Fees (as stated in our studio policies):

- The class list below includes whether a class will have a “Studio Purchased” or “At Home” costume. Studio purchased are those that the studio will order for your dancer and those classes will have the costume fee listed below. The “At Home” costumes are costumes where you will obtain pieces from home or items you can easily purchase on your own.
- If you are registered for a performance class and you have a studio purchased costume, **the costume fees of \$90 plus tax per class will be automatically drafted from your account on the week November 15, 2022 (11.15-22)**
 - Age 5-8 Combo classes will only have 1 costume fee although they may perform 2 dances
- If you are participating in 3 or more classes that require studio purchased costumes we will split up payments as follows:
 - **First 2 costumes due week of 11/15/23**
 - **Remaining costumes week of 12/15/23**
- Some classes are designated as “At Home” costumes. This is something you will have to provide for your dancer. This list has been included in this document. We will communicate by April 15 what you need for the class. It is typically something you have or if purchased can wear again – examples “Black Leggings and Red tank to”, “Jeans and Neon T- Shirt”
- **Performance Fee of \$90 per dancer will be automatically drafted on January 15, 2024**
 - This fee is separate from your costume fee and is used to pay for the venue, insurance, staff, technicians etc.
 - This fee also includes 4 complimentary tickets per dancer to each show your dancer is in (additional tickets will be available for purchase)
- *Costume and Performance fees are non-refundable – no exceptions*
